

46" SHINGLE STRIPPER

Heavy duty steel tubing and teeth frame make any roofing job a breeze! Ergonomic design and D-grip make tearing out shingles as simple as a swift swipe.

- > Product #: TRITRISS
- > #733004
- > Case pack of 4

24" MINI STRIPPER

The Mini Stripper has a smaller design to reach tight spots around dormers, overhangs, step flashing and ridge cap removal.

- > Product #: TRITRIMS
- > #732969
- > Case pack of 4

46" FORK STRIPPER

The fork design removes multiple layers of shingles, wide-spaced plank roofs or cedar shake with ease. Constructed of durable steel and features a comfortable forged, heat-treated steel D-grip handle.

- > Product #: TRITRIPFK
- > #816023
- > Case pack of 3
