

Bathroom, Kitchen & Dryer Exhaust Vent Cap

TRI-BUILT® SnapCap™ is the highest performance, most versatile bathroom, kitchen, and dryer exhaust vent cap available. Equipped with a counterbalanced damper, TRI-BUILT® SnapCap works with any CFM fan and provides a secure connection to 3", 4" and 6" flexible or rigid duct. TRI-BUILT® SnapCap™ is constructed of heavy gauge aluminum or galvanized steel to provide unmatched durability and is backed by a Life of the Roof™ warranty. Each TRI-BUILT® SnapCap™ package includes an adapter set and cable tie. TRI-BUILT® SnapCap™ is available in black, brown, and weathered gray to match most roofing systems.

LOW-PROFILE, DURABLE GAUGE DESIGN

TRI-BUILT® SnapCap™ has a lower profile on the roof and a heavier gauge base and housing for improved aesthetics and increased performance. TRI-BUILT® SnapCap™ is available in aluminum and galvanized steel

EASY "SNAP-IN" INSTALLATION

TRI-BUILT® SnapCap™ adapters easily snap into the vent cap for a secure connection
