MAINTENANCE-FREE SOFFIT, FASCIA AND RAIN-CARRYING SYSTEMS

BUILT TO WORK

THOUSANDS OF OPTIONS

Serving the residential, agricultural and light commercial markets, our durable, energy-efficient products are easy to install, require minimal maintenance and come in styles and colors to fit any project design.

QUALITY AND EXCELLENCE, REINVENTED SOFFIT AND FASCIA

TRI-BUILT® entered the aluminum soffit-manufacturing market with the intention of providing the highest-quality soffit and accessories available. The result is a final product that is 100-percent recyclable with the most free airspace in the industry—providing maximum energy-saving ventilation—and a paint system to match. Our paint is durable and tough, environmentally friendly and resistant to surface stains from the elements, and it can be easily cleaned with a garden hose.

EQUALIZE THE ELEMENTS RAIN-CARRYING SYSTEMS

Our sturdy, long-lasting roof-drainage products prevent water damage by collecting rainwater and moving it away from walls and foundations. We produce a variety of sizes and types of gutters, gutter coil, downspouts and all of the accessories to do the complete job and provide peace of mind.

TOUGHNESS NEVER LOOKED SO GOOD

The TRI-BUILT® Classic Aluminum soffit system is formulated with a proprietary high-durability resin for resistance to chalking and fading, and contains high-quality exterior-grade and ceramic pigmentation for superior color stability.

In addition to a limited-lifetime warranty, you can count on a product that:

- › Has long-term exterior-weather performance
- › Includes our special stain-resistant resin
- › Includes improved scratch and metal-marking resistance

Add beauty and value to your customers' buildings with products that are backed by over 150 years of quality. Choose Klauer Classic Aluminum products.
